Our commitment to Data Security: SOC2 Compliance

Security And Compliance

QuoteMedia adheres to industry-leading standards by subjecting itself to annual independent third-party audits. We provide top-tier security measures to protect our clients infrastructure against unauthorized entry. We are renowned for meeting the most stringent industry standards and security requirements.

Introduction

At QuoteMedia, we take security and compliance seriously to safeguard our clients data and ensure the integrity of our services. This document provides an overview of our commitment to SOC2 compliance.

What is SOC2 compliance?

SOC2 compliance is a recognized industry standard established by American Institute of CPAs (AICPA) to access controls related to security, availability, processing integrity, confidentiality, and privacy of customer data.

Scope of SOC2

- **Security:** We maintain stringent security controls to protect against unauthorized access, data breaches, and cyber threats.
- **Availability:** Our system and services are designed for high availability and minimal downtime.
- **Processing Integrity:** We ensure the accuracy and integrity of data processing.
- **Confidentiality:** Client data is kept confidential and only accessed by authorized personnel.
- **Privacy:** We adhere to data privacy regulation and client-specific privacy requirements.

Our Commitment to SOC2 Compliance:

- **Continuous Improvement:** We regularly assess and enhance our security measures and compliance protocols.
- **Employee Training:** Our staff undergoes regular training to stay informed and compliant.
- **Third-Party Audits:** We engage third-party auditors to evaluate and certify our compliance.
- **Incident Response:** We have a robust incident response plan to address security breaches promptly.

Client benefits:

- **Data Security:** Your data is secure with us, meeting industry standards.
- **Trust:** Our commitment to compliance fosters trust in our services.
- **Risk Mitigation:** SOC2 compliance helps mitigate security and compliance risks.

Conclusion

At QuoteMedia, SOC2 compliance is integral to our operations. We are dedicated to upholding the highest security and compliance standard to protect your data and ensure our services reliability.
